**Mauna Lani Spa at Mauna Lani Resort, Hawaii**  
As if further incentive were needed to visit Hawaii, the Mauna Lani Resort now boasts a vast indoor and outdoor spa that puts every aspect of its surroundings to work. Nine thatched huts, some large enough to accommodate two people, are set up for body treatments, and some have lava rock soaking tubs. Other outdoor enticements include a fragrant herb garden and a relax-

**Poplar Springs, The Inn Spa, Casanova, Virginia**  
Charming and cozy, this brand-new inn and spa doesn't need to work very hard to relieve weary souls. That's because its 200 rolling green acres stretch through the idyllic Virginia countryside. In the spa, guests can indulge in an extensive menu that uses Aveda and Babor skin care products. Another plus: It's conveniently located less than an hour from Washington, D.C.
